Seoul 150-607
Korea

Dear Mr. Park:

This is to acknowledge our recognition of your H.V.I. 13 TBN (ASTM D-2896) SAE 40 diesel engine lubricant **Ssangyong Loco Oil 413C** (Oil Code OR84670) as being worthy of full scale field test in EMD engines.

The compounding of this product with 10.8% (wt.) of the OLOA 2919L additive concentrate in Ssangyong 500N and 150 BS base stocks yields identical properties to those of another product recognized on this basis and is, therefore, acceptable as a rebrand/reblend.

As a result, **Ssangyong Loco Oil 413C** qualifies for EMD's internal listing on the above basis and this will serve as recognition of such status.

Sincerely,

D.J. Meyerkord
